

EXPORT DESI

Focused Indian origin products and
export-ready packaging.

WWW.EXPORTDESI.COM

01 WHO WE ARE

Export Desi is a merchant export company based in India. We source focused food products and packaging from vetted Indian producers and supply them worldwide.

By working with a focused product range, we ensure complete clarity on specifications, documentation, and timelines for every order.

GLOBAL REACH 01

India-based merchant exporter with a single point of global contact.

FOCUSED RANGE 02

Specialized range of Makhana, dehydrated products, and botanicals.

FLEXIBLE SCALE 03

Scalable support for bulk supply and private label projects.

END-TO-END CARE 04

Dedicated logistics and documentation for every order.

02 WHY INDIA ORIGIN

India is a major global supplier of agricultural products. We combine traditional knowledge with modern processing to deliver consistent quality.

- ✓ Long history of agricultural expertise, spices, and natural ingredients used in food and wellness.
- ✓ Established export infrastructure and experience with demanding global quality standards.
- ✓ A major base for combining premium local ingredients with eco-friendly lean packaging.
