EXPORT DESI

Focused Indian origin ingredients and export-ready packaging.

Makhana, dehydrated onion and garlic, herbal powders, jute and non-woven bags for B2B buyers.

INDIA ORIGIN / GLOBAL REACH

01

WHO WE ARE

Export Desi is a merchant export company based in India. We source focused food ingredients and packaging products from vetted Indian producers and processors, and supply them to buyers worldwide.

We work with a limited, well-understood product range so we can give you clarity on specs, documents, and timelines on every order.

- India-based merchant exporter with a single point of contact.
- Focus on makhana, dehydrated onion & garlic, herbs, packaging.
- Support for bulk, semi-finished, and private label projects.
- Clear communication and support before and after shipment.

02

WHY INDIA ORIGIN

India is a major global supplier of agricultural products, herbs, and packaging materials. For many of our products, India combines traditional knowledge, large-scale cultivation, and modern processing.

- ✓ Long history of herbs, spices, and natural ingredients used in food and wellness.
- ✓ Established export infrastructure and experience with EU and global markets.
- ✓ Strong base for combining ingredients with eco-lean packaging.

HOW WE WORK WITH BUYERS

Export Desi ensures a streamlined, transparent procurement process—from specification alignment to post-shipment tracking.

Before-Sales Support

Specification alignment, sample dispatch, and detailed offers.

Testing & Transparency

COA, accredited labs, and full traceability for all food ingredients.

Documentation

Invoices, packing lists, CO, health/phyto certificates, and lab reports provided accurately.

Logistics & Shipping

Clear global shipping terms, handling port-to-port or door-to-door coordination.

Packaging & Branding

Support for bulk, semi-finished, and private label requirements.

After-Sales Support

Tracking, claims support, and continuous improvement.

TRADE TERMS

FOB, CIF, CFR, and DDP (location dependent).

PAYMENT TERMS

Irrevocable L/C at sight, T/T (Bank Transfer).

LOGISTICS MODE

Sea Freight (FCL/LCL) and Air Freight capacity.

COMPLIANCE & ASSURANCE

End-to-end traceability with Phytosanitary certificates, Origin proofs, and Lab COAs on every shipment.

READY TO WORK WITH US?

Export Desi welcomes enquiries from importers, distributors, private label brands, and food manufacturers worldwide.

HOW TO START AN ENQUIRY

Three simple steps.

01

Share requirements

Send us your product requirements by email or WhatsApp. Include product name, quantity, grade, target market, and any certification or packaging preferences.

02

Receive specs & pricing

Within 2 business days we send a product data sheet, available certifications, indicative FOB pricing per quantity tier, and a sample dispatch timeline.

03

Sample or confirm order

Request a free or cost-price sample before committing, or proceed directly to a formal quotation with agreed shipping terms and payment schedule.

WHAT TO INCLUDE IN YOUR ENQUIRY

- Product type and grade required
- Quantity per order and frequency
- Destination country or port
- Required certifications (Organic, Halal, etc.)
- Preferred packaging type and format
- Trade terms preference (FOB, CIF, DDP)
